CELEBRATING JESUS

Eschatology Seminar

October 2017

Dates for Your Diary

Thursday, 5th October and Friday, 6th October.

9:30a.m. — 2:30p.m. (incl. Light Lunch)

Eschatology is the study of what the Bible says is going to happen in the end times. An understanding of Eschatology will eliminate many of the fears we have about the future.

Eschatology helps us to understand the *Bible's prophetic passages* and how to live our lives in response to what God is going to do in the end times. Our God is sovereign. He has a plan, and it will unfold according to His perfect will and timing. This is a great encouragement to those who are in Christ!

“...we wait for the blessed hope—the glorious appearing of our great God and Saviour, Jesus Christ” (Titus 2:13)

We are delighted to host a two-part seminar on this important topic which will be led by Professor Calvin Smith (Ph.D., University of Birmingham, England), Principal of King's Evangelical Divinity School, United Kingdom, and Editor of the Evangelical Review of Theology and Politics.
